4. Scheduled times are approximate, depending on departure from Washington DC, weather conditions, etc.

6. Signs with only a positive Pro-Life message are encouraged.
7. Due to the large number of buses coming into DC on this day, it is difficult to find a restaurant for a breakfast stop. We encourage you to pack a breakfast and lunch. The bus will be making several restroom stops, both to and from the rally, at places where there will be vending machines. We will be dropped off at the Agricultural Building where there is a café.
8. Put name tags on your children in case of separation. It could happen!
9. Sponsorship Information. If you cannot join with us, but wish to sponsor a marcher in your name, please give/send us your sponsorship early so that we can share it with a marcher in need.
10. Please save this sheet. You will receive a confirmation in mid-January with a reminder of the time schedule. Any questions, call (330) 823-4210.
